PROFILE SUMMARY

Software Developer with 3.8 years of experience in React and SPFx, specializing in custom SharePoint web parts and Azure AI integration. Committed to scalable, user-focused solutions and effective team collaboration. Seeking a dynamic role to drive innovation and grow in mobile development with React Native.

WORK EXPERIENCE

Associate Developer
COGNIZANT TECHNOLOGY SOLUTION INDIA PRIVATE LIMITED

July 30 2025 – Present   Chennai

- Developed scalable SharePoint solutions using SPFx, React.js, and TypeScript, translating Figma designs into functional components and integrating CAML queries and PnP JS for efficient data operations across SharePoint lists and libraries.
- Worked with Power Automate and Power Apps to integrate automated flows and build interactive SharePoint solutions, including site page creation and web part development using Fluent UI for consistent design and user experience.
- Created and deployed custom SharePoint site pages within SharePoint Apps, supporting modular web part integration and enhancing overall solution delivery.

Software Developer
CONVERGE POINT INDIA PRIVATE LIMITED

Feb 2024 – July 2025   Chennai

- Built custom SharePoint web parts using SPFx, React.js, TypeScript, and SASS, translating Figma designs into responsive, scalable components aligned with business requirements.
- Integrated CAML queries, PnP JS, and backend APIs for seamless data operations across SharePoint lists, libraries, and external databases.
- Leveraged Azure AI services to embed intelligent features, including a reusable AI container library, while streamlining development with custom SharePoint libraries and reusable components.

Software Developer
FOCUSCRAFT TECH PRIVATE LIMITED

Nov 2021 – Dec 2023   Chennai

- Developed web interfaces using HTML, CSS, JavaScript, and React, incorporating Material UI, Storybook, reusable components, Redux for state management, and hooks for performance optimization.
- Built cross-platform mobile apps using React Native, collaborated in Agile/Scrum teams, and managed version control with Git to deliver scalable, well-designed solutions.

SKILLS & ABILITIES

HTML | CSS3 | JavaScript (ES6 +) | Typescript | React JS | Microsoft 365 SharePoint | SharePoint SPFX Framework | Power Automate | Power apps | PNP JS | Asure AI Services | Fluent UI | CAML Query | React native | Redux | Redux toolkit | storybook | Material UI | Tailwind CSS | Media Queries | Flexbox | CSS Grid | Bootstrap 5 | Git |GitHub | Rest APIs | Npm | Yarn | Jest | Graph QL | Postman API

SOFT SKILLS

Skilled in clear and concise communication | Proficient in analytical problem-solving techniques | Adept at working collaboratively in team settings.

EDUCATION

Master of Computer Application | PONDICHERRY ENGINEERING COLLEGE | 8.1 CGPA | 2022
Bachelor of Computer Application | PONDICHERRY UNIVERSITY | 62 % | 2019
12TH | JOTHI VALLALAR HIGHER SECONDARY SCHOOL | 78 % | 2016
10 TH | AMALA HIGHER SECONDARY SCHOOL | 86% | 2014

CERTIFICATES

Udemy: Micro frontend with React: A Complete Developer's Guide
Udemy: The Ultimate Redux Course 2023 – [LATEST Redux-toolkit]
Udemy: Mastering Typescript – 2023 Edition
Simplilearn: Introduction to MERN Stack
